

Volunteer Profile

The Coupeville Elementary School PTA is a volunteer organization made up of parents, teachers, staff members, and various community members. Without your help it would be impossible to accomplish all the events. We are all striving for the same goal: to enhance the learning experience of our children at school, at home and in the community.

Your input is valuable! Your energy is needed!

Please mark any items that interest you below and place in the PTA drop box in the school lobby. ***This is not an obligation.*** We will contact you prior to that event to see if you may be available to help. Even 1 hour of you time can make a big difference.
